

Activity Card 2

Student Expo

Purpose

To celebrate students' learning by inviting families to explore projects, presentations and creative work.

Objectives: Showcase student achievements, increase student confidence, and encourage meaningful conversations between students, parents and teachers.

Preparation: Select student work, organise displays, invite parents, and prepare student presenters.

Materials: Display boards, tables, student work, and name cards.

Steps

1. Welcome visitors.
2. Students present their work.
3. Parents ask questions.
4. Teachers facilitate discussions.
5. Close with reflections.

Tips: Let students lead the presentations, include interactive activities, and celebrate every student's contribution.

Expected Outcomes: Increased student pride, improved communication with parents, and greater appreciation of learning processes.
