

Activity Card 8

Family Learning Challenge

Purpose

To encourage families to engage in enjoyable learning activities together outside school.

Objectives: Promote family learning, strengthen home-school connections, and encourage curiosity.

Preparation: Design challenge, share instructions, and set timeline.

Materials: Challenge booklet and reflection sheet.

Steps

1. Introduce the challenge.
2. Families complete activities.
3. Share experiences.
4. Celebrate participation.

Tips: Keep activities flexible, focus on enjoyment, and encourage creativity.

Expected Outcomes: Increased family engagement, positive learning experiences, and greater student motivation.
