

Activity Card 9

Career Exploration Day

Purpose

To introduce students to a wide range of careers through presentations by parents and community members.

Objectives: Increase career awareness, connect learning with future opportunities, and involve parents as partners.

Preparation: Invite speakers, create programme, and match careers to student interests.

Materials: Presentation equipment and career information.

Steps

1. Welcome participants.
2. Career presentations.
3. Small-group discussions.
4. Reflection.

Tips: Include diverse professions, encourage interaction, and focus on inspiration rather than recruitment.

Expected Outcomes: Greater career awareness, increased student motivation, and stronger school-community partnerships.
